who the fuck stole my acid tabs put that shit right back where u found it where I dropped it if u want your karma intact if u had found some of my stuff please give it back if u can bruh

my minds in tactics like tactical for the gold bitcoin cryptographical with the words I spit to the world 🌎 feelin the world feelin me it's absurd can I really get a damn break from the dome to really give them these themes of different bars nonstop till I'm gone departed from the verse I started now u see how u bitch haters stupid for my new shit and fans can't understand your speech but mine is always neat while u bitchs nesting for my wins as if u sinners couldn't lose u did and bitch if u dont get back im gunning u down like a stunta hustling u for my money back u tried loving me for u fuckin retards get

fucked bitch by the ether for whatever I sent comin for u like a heater bullets can go all through KILL YA WITH A KITTEN, TIGER LICKIN GOOD KFC CHICKEN FLIP YA LIKE A PATTY WENDYS ASK ME HOW MUXH FOR YOUR ASS I MAKE U RAPS ASS ON DICK U FAGASD BITCH GET AT ME KID@cuntz I know u know I know a lil bout a lot I know to park ur ass to rape and trash inside a bin and ban yo back up in that ho shit to pimp ur crap u make music so trash and shit man u should quit after my verse killed ur app career u call ur rap version without anywhere to find ur rap music except this app u shitdickheadoffags I'm a guru for u ladies and gentlemen, the rough ones need militant, ass kicking with the sergeants of united states of America space force military targeting at your heads for being stupid with the safety of the rest around

you who never attack and have to be defenseless instead without help till we show up for help to defenduse grammar don't confuse me with your percieved to be rude manner of speaking to man who don't understand dudes speaking English in singles from different parts of the South dudewhat else do u expect me to be doing with people who need books, drugs, I mean balls dropped to sell drugs ,hard and all the shit that u need and the feds have my back if u ever need me I wish drake was gay and that I wasn't a faggat for people to say I aint straight for Drakes music , wait wat u stupid I guess hatersgay people = I know how to kill u they tell me secrets to reel u in and make meet cute for them to rape these dudes for me to get paid man u weak soon👇😭👽🤣I'm russian and Joe shush don't tell them I'm have jewish, my godfather does blow nuts

out with a shotgun if I ask him to he'll kill u all sonhigh on my shit my own mind owned all on all drugs mixed at once from ketamine to ecstasy and lysergic acud weed adderal and coke bruh gabapentin testosterone and even more drugs too big to name the names something like MethylPREDNISolonefor my laser eye surgery and anxiety meds to slow off them once I'm done trupped tripped u pups not walked off u stick to my dick like glow ducks dickshits u piss poor for fucks paid to all my hos I get more money to pay off more of some.u can't get prostitutes ur all dumb and unconfident to fuck one, ur all loh czars , lohsersbut I don't mind to impregnate hos
for example what's wrong with
cardi b hoing and still having a baby with offsetsince way back senior year of high school 🏫 hospital day 1 when I drank a

cup of Grey goose vodka and in 1 second just passed out they carried my body to a damn couch and I would not wake up till the doctors saved me from poisoning myself with one more drop of alcohol damn yo I could have died but walked away without no damage, my liver way too smart, or way strong, wait.. does that mean I'm really dead smart? @theofficialgh0st thanks for reminding me insight way in the universe I wrote still write free frome stail rhymes, phresh as fucksince way back senior year of high school 🏫 hospital day 1 when I drank a cup of Grey goose vodka and in 1 second just passed out they carried my body to a damn couch and I would not wake up till the doctors saved me from poisoning myself with one more drop of alcohol damn yo I could have died but walked away without no damage, my liver way too

smart, or way strong, wait.. does that mean thate I'm really smart?
